

Your Workplace Health and Performance Association
Join the Movement | Become an Employer Member

Empowering employers with **tools, resources, and support** that are **simple, cost-effective, and evidence-informed.**

Get **Empowered** | Get **Connected** | Get **Recognized**

Get **Empowered**

- Get an optional free assessment, audit and tailored recommendations to build a healthier, higher performing culture
- Get a one-hour facilitated workshop to create or enhance your wellness strategy and evaluation plan. Alternatively, pick a free workshop or webinar of choice tailored for your organization.
- Gain timely insights about the future direction of the industry.

Get **Connected**

- Access our simple, evidence-informed education, resources and tools including health and performance guides, strategy templates, evaluation tools, and more
- Get relevant, practical tips and tools with our newsletters, webinars and articles
- Join our community of practice

Get **Recognized**

- Be an employer of choice and showcase your company on our website with your logo, description and link to your site
- Showcase how you support your employees as a guest blogger
- Access our growing social media network (>4500 followers combined)
- Get certified as a Workplace Health and Performance Ambassador and receive wide-spread recognition and/or use your partner badge to display your commitment
